

Land of the Giants Hosta Farm 2012 Catalog

H.	A 10 Hut	S	15" high by 38" wide fast-growing, dense mound of heart-shaped, blue-green foliage; leaves 5 1/4" long by 4" wide (8-9 vp); leaves also average in substance and slightly corrugated.	\$45	s s
H.	A Many-Splendored Thing	M/L	15" high by 41" wide medium-large mound of foliage that is dark green in the center with a wide, gold margin; leaves 11 1/2" long by 9 1/2" wide (17 vp); margin 1 1/2" wide; leaf blade broadly ovate-shaped, moderately corrugated, and thick substanced.	\$14	l v
H.	Abba Aloft	L	27" high by 60" wide large mound of green-centered, gold-margined foliage; leaves 11" long by 7 1/4" wide (15 vp) ; leaf blade ovate-shaped, very wavy and faintly corrugated.	\$16	lv
H.	Abba Dabba Do	M/L	28" high by 60" wide mound of green-centered, gold-margined foliage; leaves 12 1/4" by 8 1/2" (15-16 vp) with a 1/4" margin; leaf blade ovate-shaped, wavy, and slightly corrugated.	\$11	ml v
H.	Abba Irresistible	S	Small-sized mound (10" high by 28" wide) leaves measure 5 1/4" long by 3" wide (6 vp) and are dark green-margined with a center that changes from yellow to creamy white during the season.	\$17	sv
H.	Abba Irresistible Streaked	S	Small sized mound (10" by 28") leaves measure 5 1/4" by 3" and are dark green margined with a center that changes from yellow to creamy white during the season.	\$45	s, s
H.	Abby	S	12" high 30" wide mound; 5 1/2" by 3 1/2" leaves (9-10 vp) with a 1/2" wide gold margin and a green center; average substance.	\$8	s v
H.	Abiqua Big Sky	VL	34" high by 78" wide very large, open mound of thick, roundish blue leaves; with leaves 15 1/2" long by 11" wide (19 vp).	\$15	vl b
H.	Abiqua Blue Crinkles	M/L	18" high by 40" wide mound of thick-substanced, heavily corrugated blue-green foliage; leaves reach 8 1/2" long by 5" wide (13 vp).	\$10	ml b

Land of the Giants Hosta Farm 2012 Catalog

H.	Abiqua Blue Shield	L	21" x 48" wide mound moderately corrugated, blue green leaves, 12" long x 8 3/4" wide.	\$15	l b
H.	Abiqua Drinking Gourd	M/L	24" high by 46" wide mound of deeply cupped, blue-green foliage; leaf size 11" long by 11" wide (16 vp); leaf blade very broadly ovate to rotund in shape, heavily corrugated and thick-substanced.	\$14	ml b
H.	Abiqua Elephant Ears	VL	29" high by 61" wide mound of huge (17" long by 13" wide) green leaves; slight corrugation along the veins and a broadly oblong-ovate shape.	\$30	vl gr
H.	Abiqua Hallucination	M	19" high x 36" wide mound of heavily corrugated foliage, that is gold in the center with a bluegreen margin; leaf size 7 1/4" by 6" (16 vp); thick substance.	\$20	m v
H.	Abiqua Moonbeam	M/L	Mound size 20" high by 55" wide; leaf color medium to dark green in the center with a 1/2" wide gold margin; wide (up to 27" high by 68" wide); leaves 9 1/4" long by 8" wide (11-12 vp); blade broadly oblong-ovate in shape and moderately corrugated; better than average substance.	\$12	ml v
H.	Abiqua Parasol	L	Large (30" high by 70" wide), cascading mound of blue-green foliage; leaves 16 1/4" long by 10" wide (17 vp); slight corrugation, and slight rippled margins; broadly oblong-ovate blade shape.	\$26	l b
H.	Abiqua Recluse	M/L	23" high by 48" wide mound of bright gold foliage; leaves 11" long by 8 3/4" wide (15 vp); slight corrugation, and good substance; blade ovate in shape and sometimes cupped.	\$10	ml y
H.	Abiqua Trumpet	S	Dense, 14" high by 33" wide (up to 16" by 39") mound of cupped, bluish green foliage leaf size 4 1/2" long by 3 7/8" wide (9-10 vp); leaves also moderately corrugated.	\$8	s gr
H.	Abraham Lincoln	M	16" high by 36" wide semi-upright mound; 10 1/2" long by 7" wide leaves; thick and heavily corrugated; rich blue green color.	\$25	
H.	Ace of Spades	M	Medium size mound of dark green foliage with leaves that point upward.	\$25	m gr

Land of the Giants Hosta Farm 2012 Catalog

H.	Afternoon Delight	L	Mound 24" high by 52" wide; leaves 12" long by 8" wide (17 vp); with a dark green center and wide gold margins; leaves also moderately corrugated and have good substance.	\$18	l v
H.	Agawa	VL	38" high by 54" wide mound of blue-green foliage; leaves 16" long by 9 1/2" wide (15 vp).	\$26	l b
H	Aksarben	L	25" high by 47" wide mound of heavily corrugated, blue-green foliage; leaves 12 1/2" long by 11 1/4" wide (16 vp), thick-substanced; leaf blade broadly ovate in shape with a deeply lobed base, and generally wavy.	\$25	l b
H.	Alabama Bowl	M	26" high by 70" wide mound of deeply cupped foliage that is blue-green early, becoming shiny green by July; average leaf size 10" long by 7 1/2" wide (12 vp), but as large as 11 1/2" by 9 3/4" (15 vp); leaf blade very broadly ovate, moderately corrugated.	\$20	m b
H.	Alakazaam	S	5" high by 2" wide mound of narrow, very wavy foliage; leaves 5" by 1"; leaf color yellow-margined with a medium green center.	\$20	s v
H.	Alex Summers	M	22" high by 41 wide" mound of green-centered, gold-margined foliage; leaves 9 1/2" long by 5 5/8" wide (14 vp); bright gold leaf margin 1/4" to 1/2" wide.	\$14	m v
H.	Alice in Wonderland	M/L	16" high by 35" wide mound; leaves 8" long by 5 1/2" wide (9 vp); leaves that are gold in the center with a 1/16" to 1/4" wide, dark green margin; leaves also ovate in shape.	\$16	ml v
H.	Aliyah's Grace	S	10" x 27" mound; thick substance, chartreuse foliage, unruly, moderately corrugated, deeply cupped.	\$15	s y
H.	All Jazzed Up	M	18" high x 36" wide mound of creamy yellow to white marginated leaves with a center that varies from green and yellow streaked to solid green; leaves 9" by 5" (9-10 vp).	\$50	m s

Land of the Giants Hosta Farm 2012 Catalog

H.	All That Jazz	L	Clump size 29" x 52" Large heart shaped leaves (13"x 11" with 13 vp) with a clean, creamy-yellow margin; forms a large majestic clump with stately, spreading form.	\$16	l v
H.	Allan P. McConnell	S	Clump size 13 x 39" wide dense, rounded mound of foliage with thin (1/16" wide), white margin; leaves 4 1/4" by 3" (5 vp); blade ovate to broadly ovate-shaped with a rounded base and slightly wavy margin; smooth texture ; average substance; slightly shiny on the underside.	\$8	s v
H.	Allegan Emperor	L	Forms a huge, vase-shaped mound (30" x 72") wide of thick rounded leaves 14 long x 11 wide that change from bluish-green in spring to dark green by July. Topped with lavender flowers on 48" scapes in July.	\$15	l gr
H.	Allegan Fog	M	18" high by 40" wide mound of very wavy, variegated foliage; leaves white with green speckles and streaks in the center; medium green along the margin, 8" long by 4" wide (8-9 vp).	\$14	m s
H.	Allegan Gent	L	20" x 40" mound; blue-green leaves with a misted green-white margin.	\$45	l s
H.	Allen C. Haskell	M	19" high x 48" wide mound of highly variable foliage; leaf color generally dark green-margined with a creamy yellow center that is heavily streaked and mottled and green and creamy white; leaf size 7 3/4" long by 5" wide (10 vp); leaf blade ovate-shaped.	\$50	m s
H.	Alley Oop	S	10" high x 21" wide plant with a white center that is heavily streaked and green edged leaf; leaf size 5" by 3" (5-7 vp).	\$70	s s
H.	Alligator Shoes	M	13" high by 30" wide (up to 24" by 52") mound of creamy margined foliage; leaves 10 1/2" long by 5" wide (13 vp); 1/16" to 1/8" wide leaf margin changes from yellow to white during the growing season; leaf center dark green with many gray-green streaks and streaks of corrugation between the veins.	\$20	m v

Land of the Giants Hosta Farm 2012 Catalog

H.	Alvatine Taylor	L	24" high by 48" wide mound of gold-edged foliage; average leaf size 10" long by 7 1/4" wide (14 vp), but as large as 13 1/4" long by 9 3/8" wide (16 vp); leaf color blue-green in the center early; becoming dark green by midsummer, with a 1" to 2" gold margin (chartreuse in spring).	\$12	l b
H.	Am I Blue	L	26" high by 53" wide mound of blue-green leaves measuring 14" long by 12" wide (18-19 vp); leaf blade very broadly ovate in shape, moderately corrugated, and thick -substantced.	\$26	l b
H.	Amazing Grace	L	16" high by 48" wide mound large mound of white-edge foliage; leaf center medium to dark green; leaves 15" long by 8 1/4" wide with 16 vein pairs and a 1/2" wide margin; leaf blade narrowly ovate-shaped, moderately wavy.	\$15	l v
H.	Amber Tiara	M	Medium-sized mound of bright to medium gold foliage; leaves measure 4 1/8" long by 3" wide (6 vp) and are slightly wavy.	\$8	m v
H.	Amber Waves of Grain	L	23" high by 40" wide semi-upright of medium green-centered, gold-margined foliage; leaves 11 1/2" long by 9" wide (16 vp); leaf blade moderately rippled, broadly ovate-shaped.	\$25	l v
H.	American Blue Hearts	M/L	24" high x 50" wide mound of heavily corrugated, unruly, blue-green foliage; leaves reach 10" long by 6 1/2" wide with 15-17 vp; leaf blade cupped, oblong-ovate in shape, and thick-substantced.	\$35	ml b
H.	American Choo Choo	L	22" x 56 " mound; 14" x 10" leaves green-centered gold-margined foliage, piecrust edge.	\$27	l v
H.	American Eagle	L	Large mound size 22" high by 50" wide; dark green with a gold-yellow margin, leaf size 9"x 7" (14 vp); slightly rippled, cupped, heavy substance and corrugated.	\$45	ml v
H.	American Halo	L	24" by 73" wide mound size; leaves measure 15" long by 11 1/2" wide (18-19 vp); leaf color blue-green to dark green in the center with a 1 3/4" wide margin that changes from light greenish yellow to creamy white; leaf blade broadly oblong-ovate, wavy, heavily corrugated and thick-substantced.	\$18	l v

Land of the Giants Hosta Farm 2012 Catalog

H.	American Hero	M	12" by 20" wide mound; It is a sport of H. 'Revolution' with wider, dark green margins and a creamy white to pure white center speckled with green. Like the soldiers we are honoring, this is a tough, durable hosta that reliably displays strong, bold variegation all season long. The thick leaves form a very dense clump, and as the plant matures they become somewhat twisted. Lavender flowers top the clump in midsummer.	\$25	m v
H.	American Icon	L	26" high by 75" wide mound green-centered gold foliage; one immature leaf measured 9" long by 6 1/4" wide with a 1 3/4" wide, gold margin.	\$18	l v
H.	American King of the Woods	VL	A giant blue-green Hosta. Grows 60" wide x 3" tall in 12 years. Largest leaves were 15-16" wide x 18-19" long. Very puckered and crimped leaves above with elevated bumps of crimping between the recessed veins above. Much bloom above and below. White flowers in July grow on scape only slightly above the foliage mound. Makes an excellent specimen Hosta.	\$60	vl gr
H.	American Louigi	L	25" high by 82" wide mound of heavily corrugated, blue-green foliage; leaves 12 1/2" long by 10" wide (15-16 vp); leaves also broadly oblong-ovate, thick-substanted, slightly cupped and somewhat unruly. Similar to Simply Sharon.	\$100	l s
H.	American Masterpiece	M/L	Medium-sized mound (about 20" high by 50" wide) of heavily corrugated, broadly ovate foliage; leaf color blue-green margined (2 1/4" wide) with a creamy white center, occasionally misted; leaves measure 11" long by 8 3/4" wide (16 vp).	\$100	ml v
H.	American Misty	L	Large. H. Sieboldiana-type plant with leaves that are blue-green-margined with a misted green and white center; leaves 7" x 6" (12-14 vp).	\$120	l s
H.	American Monster	L	29" high by 57" wide mound of dark green foliage; leaves 13" long by 11" wide (13 vp), very heavily corrugated, unruly, thick-substanted and sometimes cupped.	\$75	l b

Land of the Giants Hosta Farm 2012 Catalog

H.	American Sweetheart	L	A 24" high x 41" wide mound of center variegated foliage; leaves 9" by 7" (10-12 vp); very thick substance.	\$16	l v
H.	American Yeti	VL	A giant of all giants! 65" by 45" mound in 4-5 years (most likely will get larger in time); giant blue-green leaves 18" by 15" (18 vp); leaves are nicely-puckered and crimped: veins are deeply impressed above: elevated below; nearly round apex of leaf has a short blunt tip; very fertile.	\$75	vl gr
H.	Americana	S	Differs from its mother plant H. Loyalist by its very wide, green margin and extremely narrow, creamy yellow to white center; one leaf measured 6 1/4" long by 5 1/4" wide with a 1/2" wide center and 9-10 vp; thick substance.	\$15	s v
H.	Amos	VL	22" high by 49" wide, semi-upright mound of thick, blue-green foliage; leaves average 13" long by 10" wide (13-14 vp), but as large as 15" long by 10 3/4" wide (17 vp); leaf blade oblong-ovate shaped and slightly corrugated.	NFS	vl b
H.	Amy Aden	S	6" high x 16" wide mound of foliage; leaf color chartreuse with lighter streaks in the center, generally with a narrow yellow margin (1/8" wide); leaves 3 3/4" long x 2" wide (7-8 vp); leaf blade ovate-shaped at maturity.	\$20	s s
H.	Amy Elizabeth	S	13" high by 35" wide mound with leaves 5 1/4" long by 3 3/4" wide (9 - 10 vp); leaves medium to dark green margined (1/8" wide) with a chartreuse to gold center.	\$8	s v
H.	Andrew	L	Differs from H. 'Blue Mammoth' in having creamy white-centered, blue-green margined leaves; leaf size 8 1/2" long by 7 1/4" wide.	\$20	l v
H.	Angelique	M	Dense medium sized mound of dark green-centered, creamy white margined foliage leaves often heavily streaked blade shaped elliptic.	\$30	m s
H.	Angelique Supreme	M	Dense, medium-sized mound of dark green-centered, creamy white-margined foliage; leaves often heavily streaked; blade shape elliptic (narrower when younger).	\$45	m s
H.	Ann Kulpa	M	19" high by 44" wide of white-centered foliage; leaf size 11" by 8" with a 3" wide, dark medium to dark green margin that often produces light green streaks into the yellow to creamy white center, leaf blade ovate-shaped, slightly wavy and moderately corrugated at maturity.	\$15	m v

Land of the Giants Hosta Farm 2012 Catalog

H.	Annie	M	10" high by 32" wide mound; leaves 7" long by 5" wide (9 vp); leaf color dark green in the center with a distinct, 1/2" wide gold to creamy yellow margin.	\$12	m v
H.	Antioch	M	24" by 56" wide mound; leaves 10 3/4" long by 7 1/2" wide (9-10 vp); leaf center medium green; 1/4" to 1" wide leaf margins chartreuse early, changing to yellow, then creamy white by early summer; leaf blade ovate-shaped, slightly wavy, generally smooth-textured, and curved down.	\$8	m v
H.	Antoinette	L	16" by 53" wide mound of gold-margined (1" wide), dark green-centered leaves, 9 1/2" long by 7" wide (11 vp); leaf blade ovate-shaped with many slight marginal ripples.	\$16	l v
H.	Aoki	M/L	21" high by 52" wide mound of medium to dark green leaves that are bluish green in early spring; leaves measure 9 1/2" long by 6 3/8" wide (9-10 vp); an ovate blade shape; average substance, leaves not corrugated or wavy, narrow funnel shaped.	\$6	ml gr
H.	Aphrodite	L	24" x 60" mound; shiny green foliage with double fragrant flowers.	\$14	l g
H.	Appalachian Beauty	M	24" high by 50" wide mound of green-centered; gold margined foliage; leaf size 12" long by 9" wide (12-13 vp); margin 1" ; other foliage characteristics the same as H. "Abiqua Reclose".	\$15	m v
H.	Appletini	S	6" high by 10" wide compact mound; leaf color bright yellow in spring changing to apple green by July 1; leaves 3 1/2" long by 2 1/4" wide; wavy, smooth textured; good substance.	\$20	s y
H.	Aqua Velva	L	Mound 26" high by 60" wide; 11" long by 8" wide (13 vp) leaves that are blue-green early, becoming shiny, dark green by midsummer; leaves also thick-substanced, moderately corrugated, somewhat cupped.	\$10	l b
H.	Arc de Triomphe	L	21" high by 50" wide mound of yellow to white-margined foliage; leaves 10" long by 8" wide (15-16 vp); leaf center blue-green early, changing to dark green; leaves also wavy, ovate-shaped, and slightly corrugated.	\$15	l v

Land of the Giants Hosta Farm 2012 Catalog

H.	Arch Duke	L	26" high by 50" wide mound; medium green leaves 16" long by 10' wide (12 vp); leaves also slightly rippled along the margin; slightly corrugated.	\$35	l gr
H.	Arctic Blast	M	12" high by 23" wide mound of heavily rippled, rich blue-green foliage; leaves 7 1/2" long by 3 7/8" wide (8 vp); leaf blade narrowly ovate to ovate-shaped.	\$16	m b
H.	Aristocrat	M	9" high by 29" wide mound of blue-green-centered, creamy white-margined foliage; leaves 6 1/2 long by 5 5/8" wide (10-12 vp) with a 1/8" to 3/4" wide margin that is creamy yellow early, becoming whiter during the season; leaves also thick-substantced.	\$15	m v
H.	Artist's Palette	M	17" high by 36" wide mound of streaked foliage; leaves 6 3/4" long by 3 3/4" wide (9 vp); leaf center streaked and mottled green-yellow-white; leaf margin creamy white, 1/16" to 3/8" wide; leaves also moderately wavy and ovate-shaped.	\$75	m s
H.	Aspen Gold	M	16" high by 37" wide mound, but as big as 20" by 43" wide, mound of thick, heavily corrugated gold foliage; leaves 9 1/4" long by 8 1/2" wide (16-17 vp); leaf color medium to bright gold; leaf blade oblong-ovate with a deeply lobed base.	\$12	m y
H.	Athena	M/L	Medium-large mound of yellow & green foliage; leaves streaked yellow & green; leaf size 11" by 7")	\$50	ml s
H.	Atlantis	L	20" high by 48" wide mound; leaves 11" long by 8" wide (15 vp); differs from H. 'Abba Dabba Do' by its much wider gold margin, darker green center, and thicker substance.	\$20	l v
H.	Atom Smasher	S	5" x 16" mound; narrow wavy gold leaves.	\$35	s y
H.	Audra Wilson	M	18" x 24" mound; green with creamy yellow and white streaks.	\$150	m s
H.	August Beauty	M/L	Medium-large mound of heavily streaked foliage; leaves streaked yellow and green; fragrant, double flowers in August. Offers the outstanding combination of beautifully streaked foliage and fragrant, double, white flowers; leave size 9" by 8"	\$12	ml v

Land of the Giants Hosta Farm 2012 Catalog

H.	August Moon	L	20" high by 42" wide mound of medium gold foliage; leaves 9 1/2" long by 8" wide (10-11 vp); leaves also broadly oblong-ovate in shape, moderately corrugated; good substance.	\$10	l y
H.	Auntie Anne	L	30" x 66" mound; large semi-upright mound of apple green foliage, moderately corrugated, sometimes cupped, good substance.	\$25	l g
H.	Aurora Borealis	L	Very large mound 36" x 48" of heavily corrugated foliage that is gold margined with a blue-green center; leaf margin bright gold, highly variable and very wide; leaf size 13" by 11" (16 vp).	\$12	l v
H.	Autumn Frost	M	Showy Hosta with phenomenal lineage; Sport of 'First Frost' with extra wide margins; frosty blue leaves have bright yellow margins that lighten to creamy white in summer.	\$20	m v
H.	Avocado	L	Same as H. Guacamole except for a much wider green margin (1 3/4" wide on a 7 3/4" long by 6 1/2" wide) H. Avocado leaf vs. 5/8" wide margins on a mature 11" by 8 1/2" H. Guacamole leaf); becomes a large mound of foliage.	\$20	l v
H.	Aztec Treasure	S	23" high by 62" wide mound of brilliant gold foliage; leaves 11" long by 9 1/2" wide (16 vp); moderate corrugation.	\$12	s y
H.	Azure Snow	M	20" high by 45" wide mound of blue-green foliage; leaves 14" long by 10" wide (11-13 vp), oblong-ovate shaped with a slightly rippled margin, no corrugation, and better than average substance.	\$12	m b
H.	Babbling Brook	L	29" high x 66" wide semi-upright mound of bluish green foliage, leaves measures 14 long x 9 3/4 wide with a thick white underside.	\$20	l b
H.	Baby Bunting	S	11" high by 26" wide mound; leaf size 2 3/4" long by 2 1/2" wide (6 vp); leaf color grayish blue early summer; leaf blade nearly round.	\$10	s b

Land of the Giants Hosta Farm 2012 Catalog

H.	Backyard Monster	L	24" high by 60" wide mound (but should become larger) with yellow to white-margined (green-centered) foliage; leaves 14 1/2" by 10" wide (16 vp); leaf blade oblong-ovate in shape, moderately corrugated, slightly wavy; and thick-substantiated.	\$20	l v
H.	Bailey's Cream	M	(H. Sea Prize x H. Blue Angel) 20" by 36" mound - leaf size 7" by 6" (9-11 vp). This is a different hosta with pure white margins and Irish green center to its not quite round, shiny leaves. It looks a little "unhosta", maybe more tropical.	\$20	m v
H.	Baja White	M	A hybrid of H. pycnophylla with rounded green leaves of good substance that develop intensely ruffled margins. The wavy margins show glimpses of the chalky white leaf backs. In August, horizontal scapes bloom with fertile purple flowers.	NFS	m g
H.	Banana Muffins	M	16" high by 32" wide mound of nearly round, gold foliage; leaves medium gold, measuring 7" long by 6 1/4" wide (9 vp), and moderately corrugated and wavy.	\$10	m y
H.	Band of Gold	M	21" high by 31" wide mound; leaves 11 3/8" long by 9 1/2" wide with 12-13 vp; leaf color green in the center with a gold margin.	\$16	m v
H.	Band of Gold Streaked	M/L	21" high by 31" wide mound; leaves 11 3/8" long by 9 1/2" wide with 12-13 vp; leaf color green in the center with Streaks of Gold.	\$40	ml s
H.	Barney Fife	S	13" high by 33" wide mound of shiny, dark green foliage; leaves 6 3/4" long by 4 1/2" wide (9-10 vp); leaves also have a smooth texture, good substance, slight waviness, and a whitish shiny underside.	\$12	s gr
H.	Bashful	S	H. 'Bashful' is an open pollinated seedling from H. 'Blue Cadet'. Leaves that come up in spring a very creamy color mottled with green. The green will slowly become more prominent but newer flushes of leaves will be lighter and misted. white flowers in June.	\$25	s s

Land of the Giants Hosta Farm 2012 Catalog

H.	Battle Star	M	14" high x 32" wide semi-upright mound of foliage that is blue-green in the center with a 3/4 wide chartreuse to yellow margin; leaves 9 1/2" long by 6 1/2" wide (12 vp); leaf blade shape ovate with a flattish base and wavy margin; leaves also slightly corrugated; good substance.	\$18	m v
H.	Bea's Colossus	VL	Large mound of heavily rippled green foliage; Leaf size is 13" x 8".	\$25	vl gr
H.	Beatrice	S	11" x 25" mound; streaked foliage, green with irregular white streaking.	\$45	s s
H.	Beatrice Breeder	S	11" high x 25" wide mound of streaked foliage; leaf color green with irregular white streaking; leaves 5" long by 1 1/2" wide; (6 vp); narrowly elliptic in shape, moderately shiny underside.	\$50	s s
H.	Beauty Substance	VL	Leaf color green-centered with a gold margin; becomas a huge mound of foliage with leaves 15 1/2" long by 11" wide (13-17 vp) with a 3/8" wide margin; most other foliage and flowering characteristics the same as H. Sum and Substance.	\$15	vl v
H.	Beckoning	L	Large mound of foliage that is olive-green in the center in spring, becoming much brighter gold during the growing season; blue green margin; leaf size 13" by 11" (16 vp).	\$15	l v
H.	Behemoth	L	29' high x 60" wide, arching mound of deeply veined, medium green foliage; leaves 17 1/2" by 10 3/4" wide (18 vp); leaf blade ovate to oblong- ovate-shaped with a deeply lobed base and faintly rippled margin.	\$30	l gr
H.	Bell Bottom Blues	VL	Large fountain like mound of blue-green foliage, about 8" by 7" (14 - 15 vp); wavy edge leaves with good substance.	\$20	l b
H.	Bella	M	20" high by 48" wide mound of of medium to dark green foliage; leaves 8" long by 6 3/4" wide (9-10 vp); leaf blade ovate-shaped with a heart shaped base, moderately corrugated.	\$20	m gr

Land of the Giants Hosta Farm 2012 Catalog

H.	Benediction	L	24" x 55" wide mound of chartreuse (spring) to gold foliage; leaves 12" long by 8 1/2" wide with 13 vein pairs.	\$75	l y
H	Benedicts Wildfire	S	8 " high by 22 " wide mound of bluish green foliage: leaves 6 1/8 " long by 4 1/2" wide (7vp); leaves ovate-shaped slightly wavy, and smooth textured.	\$100	s b
H.	Bethel Big Leaf	L	24" high by 58" wide mound of rippled, dark green foliage; leaves measure 14" long by 11" wide (14 vp) 12 or more ripples per leaf.	\$16	l gr
H.	Bethlehem	M	23" x 56 mound of Blue green Foliage; Leaves get 9 3/4 x 8 3/4 wide.	\$15	m g
H.	Bev and Dave	L	Large mound of green and gold streaked foliage.	NFS	l s
H.	Big Bopper	M	Medium sized mound of shiny green foliage.	NFS	l g
H.	Big Boy	VL	32" high by 74" wide, arching mound of H. montana macrophylla-type, medium green foliage; leaves 18 3/4" long by 10 1/2" wide (21 vp) that are deeply impressed; slight rippling, little or no corrugation and good substance.	\$12	vl gr
H.	Big Daddy	L	25" high x 66 wide mound of heavily corrugated, blue-green foliage; leaves 15" long by 10 1/2" wide (16-17 vp); leaf color a deep blue-green, turning deep green by late summer; leaves also broadly ovate in shape with some cupping; intense corrugation and thick substance.	\$10	l b
H.	Big Dipper	L	25" high x 46" wide mound of foliage that is chartreuse early, becoming bright gold; leaves 11" long by 7" wide (17 vp); leaves also ovate to oblong-ovate-shaped, wavy and slightly corrugated.	\$40	l y
H.	Big Dude	L	24" x 50 " mound; deeply veined medium green foliage, slightly corrugated, good substance.	NFS	l b
H.	Big Foot	L	32" x 72" wide huge mound of blue with rugose, leathery, blue leaves; dark green leaves that measure 17" long by 13" wide; (17-20 vp).	\$14	l b
H.	Big Hearted II	VL	This giant hosta has leaves that are 16-18 inches long with a long slightly wavy edge.	\$75	vl gr

Land of the Giants Hosta Farm 2012 Catalog

H.	Big John	VL	32" high by 72" wide mound of dark green leaves that measure 17" long by 13" wide (17-20 vp); one leaf reached 21" long by 16 3/8" wide; leaf color bluish green early, becoming dark green by early summer; slightly rippled margin; moderate corrugation; good substance.	\$25	vl gr
H.	Big Mama	L	Large, spreading mound of puckered, blue-green foliage; vigorous. Mound 28" high by 60" wide; leaves 13' long by 10' wide (16vp).	\$12	l b
H.	Big Sam	L	Large, heavy subtanced green; puckers at maturity; rugged. Dark green foilage; mound 25" by 63" wide with leaves 14" long by 12" wide. (12-14 vp).	\$12	l b
H.	Big Top	VL	Large. 32" high by 41" wide upright mound with 14" long by 13" wide; blue-green; thick substance leaves.	\$20	vl gr
H.	Bigga Luigi	L	Large mound of heavily corrugated; blue-green foliage; 25" high by 82" wide mound with leaves 12 1/2 long by 10" wide (15-17 vp); leaves also broadly oblong-ovate, thick-substanced, slightly cupped; and somewhat unruly.	\$20	l b
H.	Bigga Luigi Streaked	L	Large mound of heavily corrugated; blue-green foliage; 25" high by 82" wide mound with leaves 12 1/2 long by 10" wide (15-17 vp); leaves also broadly oblong-ovate, thick-substanced, slightly cupped; and somewhat unruly.	\$75	l b
H.	Biggie	VL	31" high by 61" wide mound with 9" long by 8" wide dark green leaves; heavily corrugated; slug-resistant, pebbled, thick substance.	\$18	vl gr
H.	Birchwood Blue Beauty	L	36" x 42" wide Very dark green leaves are puckered cupped and crimped.	\$15	l b
H.	Birchwood Elegance	L	33' x 77" wide mound of large, dark green foliage; leaf size 18 1/2 long by 12 1/4 wide (18-20 vp); leaves also broadly oblong-ovate in shape, slightly wavy, slightly corrugated, thick substanced.	\$16	l b
H.	Birchwood Ruffled Queen	L	24" high by 60" wide mound of irregularly rippled foilage that is gold in spring, dark green by early summer; leaf size 12 1/2" long by 9" wide (12vp).	\$10	l gr

Land of the Giants Hosta Farm 2012 Catalog

H.	Bitsy Gold	S	8" high by 21" wide leaves 4 1/4" long by 1 1/4" wide (3-4 vp); leaf blade very narrowly elliptic-shaped and slightly wavy; average substance; low mound of narrow, light gold foliage.	\$10	s y
H.	Bitsy Green	S	7" high x 17 " wide; leaves 4" long by 1 1/2" wide; leaf blade very narrowly elliptic and slightly wavy; low, dense mound of narrow, shiny, dark green foliage.	\$10	s gr

H.	Blue Blush	S	13" x 37" wide mound of very deep blue-green leaves that are 7" long by 3 7/8" wide. (10 vp).	\$10	s b
H.	Blue Cadet	S	Nearly round, slightly cupped, blue-green leaves early in season, changing to dark green by midsummer. Lavender flowers on 20" scapes in July.	\$6	s b
H.	Blue Cascade	M	Dense, medium-sized mound of extremely pie-cruste leaves are an intense blue color. The leaf tips twist outward Lavender flowers midsummer.	\$20	m b
H.	Blue Clown	S	12' X 22" mound; thick substance, blue-green leaves.	\$15	s b
H.	Blue Diamond	M	22" high X 49" wide mound of blue-green foliage; leaves measure 7 1/2" long x 4 1/2" wide.	\$10	m b
H.	Blue Dimples	M	18" high x 45" wide mound of slug-resistant deep blue foliage; leaves 8 3/4 long X 5 1/2" wide.	\$10	m b
H.	Blue Dolphin	M	3 foot clump of rounded, heart-shaped leaves with heavily impressed veins - unique blue-green color in lower light.	\$15	m b
H.	Blue Dome	M	Mound size ranges from 19" high x 40" wide to 32" x 67"; leaves 12 1/2" long x 10" wide. Leaf color blue-green leaves also thick-substance, heavily corrugated, and broadly oblone-ovate in shape.	\$20	m b
H.	Blue Flame	M/L	18" high x 40" wide mound; leaves 7" by 6" (8 vp); leaves blue-green with a wavy yellow margins.	\$15	ml v
H.	Blue Haired Lady	M	17" high by 44" wide mound of blue-green foilage; leaves 9 3/4 " long by 5 3/8 " wide (9vp) leaves also slightly wavy.	\$18	m b
H.	Blue Hawaii	L	Large, semi-upright mound of intensely blue, very thick foilage; with leaves 12" long by 8 1/2 " wide (13vp).	\$20	l b
H.	Blue Ice	S	Small mound of blue foliages; mound size 8" high x 18" wide (up to 12" x 19"); leaves 4" long x 3 1/2" wide; leaves very broadly heart-shaped, heavily corrugated, cupped, thick-substanced; thick underside bloom.	\$16	s b

Land of the Giants Hosta Farm 2012 Catalog

H.	Blue Ivory	M	A special variegated sport of the ever popular 'Halycon' comes 'Blue Ivory' having thick, slug-resistant, powdery-blue leaves with a wide creamy-white margin in the spring. During the summer the margins lighten to white and the center deepens to blue-green. Late summer heat may cause portions of the margin to turn greenish-blue.	\$20	m v
H.	Blue Jay	S	Medium-sized mound of deep blue foliage; mound 16" high by 35" wide; leaves 6 " long by 4 " wide (11vp) blade nearly heart shaped thick substance.	\$16	s b
H.	Blue Jewel	S	12" high by 26" wide mound of thick, blue, Tardiana-type foliage; leaves reach 5 3/4 long by 4 1/2" wide (9 vp); ovate blade shape.	\$100	s b
H.	Blue Lightning	M	A great plant for breeding programs. The good substance of the leaves and its streaked nature make it quite valuable. We find it to be strong growing and very fertile.	\$75	m s
H.	Blue Lollipop	S	Thick, slug resistant leaves of a deep blue-green color. The heart shaped foliage is topped with pale lavender flowers in late summer. Small hosta for rock gardens and containers.	\$14	s b
H.	Blue Mammoth	L	34" high giant has 14x12 leaves that are light blue, seersucker and puckered. Flowers are near white on 34"	\$15	l b
H.	Blue Maui	S	A cute little blue-green sport of hosta "Rainforest Sunrise". The leaves are smooth and shiny, oblong in shape with a rounded tip. New and a bit elusive.	\$15	s b
H.	Blue Moon	S	10" high x 26" wide mound of very thick, cupped , heart-shaped, deep blue-green foliage; leaves 5" long x 4 1/4" wide; thick underside bloom.	\$15	s b
H.	Blue Mountains	L	Large mound of H. sieboldiana-type foliage; one immature specimen measured 18"high x 38" wide with leaves 12 1/2" long x 8 3/4"wide; leaves also have a thick underside bloom and thick substance.	\$12	l b
H.	Blue Mouse Ears	S	Small-sized mound of round bluish green foliage; one mature clump measured 8" high by 19" wide with leaves 2 5/8" long by 2 3/8 " wide (9-11 vp).	\$13	s b

Land of the Giants Hosta Farm 2012 Catalog

H.	Blue Mouse Ears Supreme	S	Differs from its mother plant 'Blue Mouse Ears' by its heavily streaked (green with chartreuse, yellow and creamy white) foliage; should produce a small, dense mound of thick-substanced foliage.	\$40	s s
H.	Blue Ox	M	Mound 23" high x 44" wide; blue-green leaves, 9 1/2" x 9 1/2", leaf blade nearly rotund; heavily corrugated, thick-substanced, and somewhat unruly.	\$20	m b
H.	Blue Pebbles	M	14" high by 34" wide mound of Tardiana-type, heavily corrugated, thick, blue-green leaves, 7 1/4" long by 5 1/2" wide (10 vp); leaf blade heart-shaped with maturity.	\$30	m b
H.	Blue Regal	L	17" high by 42 " wide upright mound; 10" long by 7" wide leaves - color changes from deep blue -green to shiny bright green during growing season, unruly, moderate corrugation, good substance.	\$20	l b
H.	Blue River	L	20" high by 48" wide mound; leaves 10" long by 7 1/2" wide; blue-green in the center with a yellow margin;corrugated; good substance.	\$15	l v
H.	Blue Seer	L	30" high by 60" wide mound of heavily corrugated, unruly,blue green foliage; leaves 11 1/2 inches by 9 1/2 " wide (17-18 vp).	\$12	l b
H.	Blue Sensation	L	24' high by 60" wide mound; 12" long by 8" wide blue-green leaves.	\$20	l b
H.	Blue Shadows	M	16" high by 40" wide mound; leaves 8" long by 7" wide (16 vp); leaves chartreuse in the center, blue-green margined with a bluish overtones overall, especially early in the growing season.	\$16	m v
H.	Blue Splendor	L	Large. Very blue cupped and puckered. 19" high by 40 " wide mound of cupped, thick substanced, blue-green foilage; leaves 9" long by 8 1/2" wide (14-17 vp).	\$12	l b
H.	Blue Umbrellas	VL	Huge, 15" long by 13" wide, blue-green leaves early in the season, that change to dark green. The heavy substanced leaves droop downward on the edges, with an umbrella-like appearance. Pale lavender flowers on 30" scapes June/July.	\$15	vl b

Land of the Giants Hosta Farm 2012 Catalog

H.	Blue Vision	L	25 " high by 46 " wide mound of thick, blue-green foliage; 13" long by 9 1/2" wide leaves (17-19 vp); leaf shape broadly ovate.	\$12	l b
H.	Blue Vision Supreme	L	25" high by 46" wide mound of thick, blue-green streaked foliage; 13" long by 9 1/2" wide leaves with 17-19 vp; leaf shape broadly ovate.	\$75	l s
H.	Blue Wedgewood	M	Chalky blue wedge shaped leaves. 19" high by 44" wide mound of intensely blue foliage; leaves 7 1/2" long by 5 1/2" wide (11-13 vp).	\$10	m b
H.	Blue Whirls	S	23" high by 52" wide mound of Tardiana-type, blue-green foliage; leaves radiate from the center of the mound; leaves 9 1/2" long by 5 1/2" wide (12-13vp).	\$8	s b
H.	Blue Wonder	M/L	18" high by 39" wide mound; leaves 9 1/4" by 7 3/4" wide; rich blue-green foliage. Beautiful in the gardens.	\$16	ml b
H.	Blueberry Ala Mode	L	New sport from H. 'Abiqua Drinking Gourd' with a variable white border that improves with age. Leaf still cups and the plant shows all the same great characteristics of the parent. Near white flowers.	\$24	l v
H.	Blueberry Muffin	M/L	Medium-large mound of rich blue-green foliage; leaf blade oblong-ovate-shaped, slightly rippled, unruly; and thick-substantced. Has red speckled petioles.	\$20	ml v
H.	Bob Axmear	L	Blue-green leaves with gold streaks throughout the leaf.	NFS	l s
H.	Bobbie Sue	M	Shiny, dark green leaves, with wide white margins, that are slightly rippled. Leaves have heavy substance, and are slightly corrugated. Pale lavender flowers in July.	\$14	m v
H.	Bodacious Blue	L	This H. sieboldiana seedling is a huge blue hosta that has a vigorous growth rate and makes a tall handsome clump. Long pointed blue-green leaves are topped with near white flowers in June. Impressive!	\$20	l b
H.	Bogie and Bacall	S	Mound 13" high by 323" wide; leaves 7 3/4 by 3 3/4 wide; medium green center with a 1/4 inch margin; very wavy; average substance.	\$18	s v

Land of the Giants Hosta Farm 2012 Catalog

H.	Bold and Brassy	L	Wonderful gold crinkled leaves have great substance and a nice appearance...lavender flowers appear midseason. Special plant that will fit nicely into any garden.	\$30	l y
H.	Bonfire	M	This is the all green sport of H. 'Paradise Island'...beautiful thick leaves are held on red petioles and the red reaches far into the leaf.	\$18	m g
H.	Borwick Beauty	L	24" high by 57" wide mound of gold-centered blue-green-margined foliage; leaves 13 1/2 long by 9" wide (16 vp) leaf margins 1" to 1 1/2" wideMedium-large, sieboldiana type with blue border and gold centers; lovely.	\$16	l v
H.	Bottom Line	VL	Large mound of green-centered, gold-margined foliage; one mound 26" high by 67" wide with leaves 18" long by 12" wide (15 vp).	\$14	l v
H.	Brass Ring	M	15" high by 36" wide mound of white-margined (green-centered) foliage; leaves 6" long by 4 3/4 wide (9 vp).	\$25	m v
H.	Brass Ring Supreme	M	15" high by 36" wide mound of white-margined (green centered) foliage: leaves 6" long by 4 3/4 " wide. With a wide margin that changes from yellow early in the season to creamy white by late July.	\$100	m s
H.	Brave Amherst	L	Large, rounded mound of thick-substanced, gold-edged foliage; mound 23" high by 55" wide; leaves 11 1/2" long by 9 1/2" wide (17 vp); leaf color medium blue-green with a 1/4" to 1" wide gold margin; leaf blade broadly ovate to rotund, inversely cupped, slightly corrugated.	\$14	l v
H.	Brave Attempt	M	Medium-sized mound of blue-green and creamy yellow foliage.	\$50	m s
H.	Breeders Choice Streaked	M	Green leaves mottled with creamy yellow stripes changing to near white.Leaves are 6"x4.5-5". Mound is 15-18" wide. A special select breeder. Fertile.	\$75	m s
H.	Breeders Love	M	19" high by 50" wide mound; leaves 10" by 7" (13-14 vp); Blue leaves that are streaked cupped and corrugated.	NFS	m s
H.	Bressingham Blue	L	28" high by 68" wide mound of heavily corrugated, blue-green foliage; average leaf size 12 1/2 long by 10" wide (16vp) but as large as 15" by 12" (17vp).	\$10	l b

H.	Tropical Storm	S	12" x 26" mound; leaves are green-centered with a gold margin, semi cupped, thick substance. Sport of Rainforest Sunrise.	\$20	s v
H.	True Blue	L	23" x 52" mound; foliage is an intense light blue, thick and seersuckered, slightly cupped, thick substance. Flowers are near white on 32" scapes in mid-summer. Lovely heart shaped leaves in an arching mound.	\$10	l b
H.	Tsugaru Komachi	S	Small, dense mound of narrow, variably streaked foliage; one mound measured 4" high by 11" wide; leaf color varies from green with creamy white streaks to green margined with creamy white center to white margined with a green center to all green.	\$25	s s
H.	Tweety Bird	M	11" high x 34" wide mound of thick gold foliage; leaves 7" long x 4 3/4" wide (9-10 vp); leaf blade ovate-shaped, smooth-textured.	\$32	m y
H.	Twilight	M	17" x 38" mound; Sport of H. 'Fortunei Aureomarginata' with dark green leaves and wide gold margins. Lavender flowers in July.	\$12	m v
H.	Twilight Time	M	11" x 39" mound; Dense mound of bright blue leaves with rippled margins. Pale purple flowers in August.	\$15	m b
H.	Twilight Zone	M	Differs from "Fortunei Hyacinthina" by its leaf color, ie., leaves green with yellow-green misting throughout the blade; forms a medium-sized mound of foliage; leaf size 9 1/4" long x 4" wide (7-8 vp).	\$50	m s
H.	Tyler's Treasure	M	18" x 49" mound; Dark green leaves with a wide, slightly rippled yellow margin, and thick substance. Near white flowers June. Sport of H. 'Piedmont Gold'.	\$14	m v

Land of the Giants Hosta Farm 2012 Catalog

H.	Ultramarine	M	20" x 43" mound: Rapid growing, dense mound of pointed, bright blue-green leaves. Lavender flowers.	\$12	m b
H.	Ulysses S. Grant	VL	Large 26" x 51" semi upright mound; blue-green wavy corrugated leaves 14" x 11", heavily corrugated, thick substance. Tall scapes. Lavender flower. Named for the 18th president of the United States.	\$30	vl b
H.	Unchained Melody	VL	Very large 22" x 62" mound; shiny green leaves; heavy substance; yellow borders; impressive.	\$20	vl v
H.	Unforgettable	M	22" x 30" semi upright mound; Slightly cupped, corrugated, dark green leaves with slightly rippled gold margins, somewhat unruly. Lavender flowers in July.	\$14	m v
H.	Uprising	M	Medium. Sport of H. 'Rising Sun' with a dark green center surrounded by a golden-yellow border; nice sheen and the substance is superior.	\$20	m v
H.	Urban Cowboy	L	Medium sized mound of streaked foliage; leaf color chartreuse with yellow and creamy white streaks. A streaked Rimestone Cowboy.	\$76	l s
H.	Valleys Top	M	Medium-sized mound of slightly rippled foliage that is white-margined with a heavily streaked green and white center.	\$50	m s
H.	Vanilla Cream	S	Small 11" x 26" mound; Small dense mound of bright gold foliage, convexly cupped, moderately corrugated, better than average substance.. Lavender flowers.	\$10	s y
H.	Variable Sum	M/L	28" x 43" mound; Gold centered, streaked green edged 16" x 11" leaves. Sport of Hosta 'Sum and Substance'	\$20	ml v
H.	Velvet Moon	M/L	Differs from 'Abiqua Moonbeam' by its wider gold margin (narrower green center); margin 1"-2" wide on a leaf 8" long x 6" wide (11 vp); should become a medium-large mound of foliage.	\$16	ml v
H.	Venetian Blue	M	19" x 52" mound; Dense mound of rippled blue-green foliage, with excellent growth rate. Lavender flowers in July.	\$12	m b
H.	Venetian Lace	M	Medium-sized mound of foliage that is gold in the center with a bluish green margin; leaf blade wavy, somewhat cupped and slightly corrugated.	\$18	m b

Land of the Giants Hosta Farm 2012 Catalog

H.	Ventricosa Streaked	M/L	Medium-large mound of slight rippled, shiny, streaked dark green foliage; average mound size 22" high by 50" wide, but as large as 26" by 60"; leaves broadly ovate-shaped with a heart-shaped base and long, twisted tip; leaves also smooth-textured and very shiny on the underside; better than average substance.	\$90	ml s
H.	Venusta	S	Small 6" x 20" dense rounded mound of oval-shaped, medium green foliage.	\$6	s g
H.	Veronica Lake	M	17" x 50" mound; blue-green centers with a yellow to creamy-white margin.	\$10	m v
H.	Vicki Aden	M	16" high by 39" mound of highly variable, streaked foliage; leaf color blue-green to green with many streaks of chartreuse to gold to creamy white; leaf 8 1/8" by 6 3/4.	\$45	m s
H.	Victor	M	Medium. Shiny dark green leaves that have a narrow irregular yellowish "lightning bolt" center. Too much shade and the center will turn green.	\$40	m v
H.	Victory	VL	Huge vase shaped 38" x 88" mound; shiny 17" x 13" green leaves surrounded by wide white margin. Sport of nigrescens 'Elatior' Near white flowers in July, on scapes that can rise to 6 feet tall.	\$25	vl v
H.	Viking Ship	VL	Huge oval to nearly round blue-green leaves stand upright on this giant of a hosta. The leaves have a glaucous bloom top and bottom, are lightly corrugated, deeply veined with edges that have light ruffling and have a tendency to cup upward.	\$25	vl b
H.	Vim & Vigor	VL	29" x 71" mound; shiny dark-green 15" x 12" leaves. Flowers are lavender on 60" scapes mid summer. This sport of Sum and Substance also has huge leaves up to 20" across.	\$15	vl gr
H.	Vim & Vigor Streaked	L	Foliage mound is 48" wide x 36" tall, mound-like and fast growing. Leaves are 19" long x 13" wide, 17-18 pairs of veins, huge leaves emerge very dark green with a light waxy bloom giving the plant a bluish-green effect. Flowers are 3". Tubular, medium lavender, blooming from mid-July to mid-August on 48-60" tall, green bloom scapes. Fifty plus flowers per scape. Sport of H. 'Sum and Substance'.	\$200	l s

Land of the Giants Hosta Farm 2012 Catalog

H.	Vivacious	M	Medium-sized vase shaped mound; green and white streaked foliage; reddish petioles.	\$55	m s
H.	Voyager	M	Medium-sized mound of foliage that is mostly green with a few white streaks; leaf blade rippled and slightly corrugated.	\$90	m s
H.	Vulcan	M	Medium-sized mound of white-centered, green margined foliage; 17" x 28" mound with leaves 8" long x 7" wide (11-12 vp) with a 1" to 2 1/2" wide, dark green margin.	\$20	m v
H.	Vuvuzela	S	Green edged Kaliedachrome.	\$35	s v
H.	Wagon Wheels	M/L	Medium-large mound of foliage this bluish green to dark green in the center with a 1 3/4" wide gold margin; average mound size 19" high x 48" wide, but as large as 22" x 51"; leaf size 10 1/2" long x 10" wide (17 vp); up to 14 1/2" x 12 3/8" (18 vp); leaf blade broadly oblong-ovate with a deeply lobed base and slight tip; moderate corrugated; thick substance.	\$18	ml v
H.	Wahoo	M	17" x 38" mound; blue-green leaf with yellow, chartreuse, white streaks, moderately corrugated streaks.	\$25	m s
H.	War Paint	L	Large pointed and pie-cruste leaves emerge in the spring with a clear bright butter-yellow center surrounded by a dark green margin. The yellow center holds for a few weeks and then begins to darken...the process is not even and some portions turn chartreuse and others pale green. By mid June the center fades to a paler green than the margin and the show is over for the season.	\$25	l v
H.	War Party	L	Large mound of intensely blue, thick-substanced foliage; originator's specimen 16" high x 51" wide with leaves 11 1/2" long x 6" wide (11-12 vp); leaf blade narrowly ovate to ovate-shaped, smooth-textured and wavy.	\$20	l b
H.	Warwick Comet	M	Medium sized mound; Deeply cupped, corrugated, dark green leaves with a distinctive white center. Near white flowers appear in June.	\$25	m gr
H.	Warwick Essence	L	Large 25" x 50" mound; slightly shiny, blue-green leaves with prominent veins. Pure white flowers in July.	\$14	l gr
H.	Waukon Water	M	Medium sized blue seedling has thick heart shaped dark blue heavily-substanced leaves.	\$12	m b

Land of the Giants Hosta Farm 2012 Catalog

H.	Wave Runner	L	Differs from its mother plant 'Squash Casserole' by its foliage that is chartreuse in the center with a heavily rippled, yellow margin; 19 1/2" high by 57" wide mound with leaves 12 1/2" long by 8 1/2" wide (13 vp); margin 1"; leaf blade oblong-ovate and slightly corrugated; better than average substance.	\$20	l v
H.	Waving Winds	M	18" high x 43" wide mound of wavy, green-centered, yellow-margined foliage: leaves 8 1/2" long x 4 1/2" wide with 9 vein pairs and 1/2" wide margin; leaf blade narrowly ovate-shaped and smooth-textured; average substance.	\$12	m v
H.	Wheaton Blue	L	27" x 70" mound; unique blue-green color, good substance, moderately corrugated, The all-blue form of H. 'Paul's Glory's topped with lavender flowers.	\$10	l b
H.	Whirligig	M	Semi-upright, medium-sized mound, 16" high x 30" wide ; leaf center changes color during the growing season from creamy white to chartreuse to medium green; dark green margin; leaves 6 1/2" long x 4 1/2" wide (7 vp); leaves also ovate-shaped, slightly cupped, moderately wavy.	\$14	m v
H.	Whirling Dervish	M	22" x 45" Shiny, dark green leaves with wide creamy white border. Lavender flowers in July/August. A reverse sport of H. 'Whirlwind'.	\$16	m v
H.	Whirlwind	M	Shiny dark green leaves with pale green center that changes to creamy white later in season, with some green striping during growing season. Leaves are slightly twisted and curved. Lavender flowers on 30" scapes in July.	\$14	m v
H.	Whirlwind Supreme	M	Whirlwind with streaks running through the leaf.	\$90	m s
H.	Whirlwind Tour	M	Grows into a small clump. Leaf center starts out in May and early June as a muted green, then turns to a rich creamy yellow with a dark green border late on in June through July and on, the leaves do not twist as does H. 'Whirlwind.' Leaf is not as wide, probably the leaf center will become lighter in color with more sun.	\$16	m v
H.	White Angel Supreme	M/L	Large mound; Leaf color blue-green with creamy yellow to white streaks.	\$60	ml s
H.	White Surprise	S	Small mound of white-centered green-margined leaves.	NFS	s s

Land of the Giants Hosta Farm 2012 Catalog

H.	White Undies	M	Medium-sized mound of rippled, blue-green to green foliage; average mound size 16" high by 49" wide with leaves 11 1/2" long by 10" wide (14-16 vp), but have seen a 20" high by 42" wide mound with leaves 15" by 11 3/4" (15 vp); leaf blade broadly ovate-shaped, convexly, cupped and moderately corrugated.	\$100	m b
H.	White Wall Tire	M	Medium-sized mound of foliage that emerges white, greens along the veins, finally becoming shiny green by midsummer; average mound size 12" high x 30" wide, but as large as 17"x 48"; leaves 8" long x 3 3/4" wide (8-9 vp); leaf blade ovate-shaped at maturity, slightly rippled, and slightly shiny on the underside; average substance.	\$25	m s
H.	Whoopee	M	Medium sized 14" x 30" mound; streaked foliage; color highly variable, ranging from dark green with many creamy white and yellow streaks to creamy white with a green margin to all green. Leaves 7" by 5" inches.	\$40	m s
H.	Whopper	L	Large mound of foliage that is green-centered with a margin that changes from chartreuse to creamy white; leaf blade ovate-shaped, moderately corrugated, thick substanced.	\$30	l v
H.	Wide Brim	M	18" x 45" mound: Leaves have dark green centers and wide creamy-white borders, moderately corrugated...lavender flowers.	\$8	m v
H.	Will of Fortune	L	21" high x 40" wide mound of thick, heavily corrugated, blue-green foliage; leaf size 10" long x 8 1/2" wide (14 vp); leaf blade broadly ovate-shaped and cupped.	\$24	l b
H.	William Lachman	M	18" x 44" mound; Blue-green leaves with white, cream, and yellow streaks, Good for hybridizing as a pod parent to achieve variegated seedlings.	\$35	m s
H.	Willy Nilly	L	30" x 75" mound; blue-green foliage.	\$12	l gr
H.	Winfield Blue	M/L	18" x 45" mound; Powdery blue, pointed, heart shaped, slightly wavy leaves. Blue color holds late into the summer. Very pale lavender flowers on 28" scapes in July.	\$10	ml b
H.	Winter Snow	L	33" x 82 "mound; greenish yellow leaves with wide irregular white margins.Sport of H. 'Sum and Substance' Lavender flowers in July.	\$18	l v

Land of the Giants Hosta Farm 2012 Catalog

H.	Winter Warrior	L	Semi-upright, 19" high x 39" wide mound of creamy yellow to white-margined foliage; margin 1" wide, leaf center dark green; leaf size 10 1/2 x 5 3/8" (12 vp); leaf blade narrowly ovate, wavy, and smooth-textured.	\$16	l v
H.	Wintergreen	M	16" high x 30" wide mound of creamy white-margined foliage; medium to dark green center; leaf size 7" long x 4 1/2" wide (10 vp); leaf blade ovate-shaped, wavy, slightly cupped, and better than average in substance.	\$15	m v
H.	Witches Brew	L	Large mound of heavily corrugated, blue-green foliage; originator's specimen reached 22" high x 60" wide; leaves 12 1/2" long x 8 1/2" wide (15 vp); leaf blade broadly oblong-ovate in shape, wavy, and thick-substanced.	\$20	l b
H.	Wolcott	L	30" x 61" mound leaves are 15 L x 12 W green leaves with yellow blotches or light streaks in the spring.	NFS	l s
H.	Wolverine	M	12" x 30" mound; Medium, long, pointed blue-green leaf with gold borders; striking and new!	\$12	m v
H.	Wonderland	S	8" high by 20" wide mound; Leaves 4 1/2" long by 3" wide; green center with a margin that changes from chartreuse to gold; shiny; average substance, purple flowers in July.	\$18	s v
H.	Wooden Nickel	M/L	Medium-large mound of green-centered foliage; one immature leaf measured 9 1/2' long x 7" wide and had 13 vein pairs and a 1/2" wide, gold edge; leaf blade broadly oblong-ovated and slightly corrugated; good substance.	\$20	ml v
H.	Woodland Elf	D	5" high by 15" wide mound; Leaves 2 1/4" long by 1 1/2" wide; medium green center, white margin (1 1/16" wide); blade ovate-shaped and slightly wavy and cupped, lavender flowers bloom from late June into July.	\$16	d v
H.	Woodland Green	L	Large mound of heavily rippled, medium green foliage; average mound size 24" high by 60" wide with leaves 11" long by 7" wide (12-13 vp); leaf blade also very broadly ovate, moderately corrugated, and thick-substanced.	\$8	l g
